## Engagement Metrics

### Engagement Ratio:

0.03

### Subscriber Ratio:

0.59

### Like-to-View Ratio:

0.03

### Comment-to-View Ratio:

0.0

## Advice

### 1. Likes to Views Ratio:

The current likes to views ratio of %0.03 is below the ideal benchmark of 3.75% to 4%. This indicates room for improvement. Consider incorporating more direct calls to action in your videos, asking viewers to like if they enjoy the content.

### 2. Engagement and Performance:

The engagement ratio of 0.03 is low, reflecting poor viewer interaction. Try to increase viewer interaction.

### 3. Relative Performance:

The subscriber ratio of 0.59 is average, suggesting that the video performs decently relative to the channel's size. Consider targeting a larger audience to grow your channel.

### 4. Content Improvement:

The comment-to-view ratio of 0.0 suggests that while the video attracts a lot of views, the level of interaction in the comments is low. Try to increase viewer interaction.

## 2. Video Comment Thread Summary

### Top Comment Thread

#### Top-Level Comment

##### Text:

'I hope this series never ends... its the best day in the life videos on YouTube hands down '

##### Author:

@feelingsugoi

##### Like Count:

5103

##### Total Reply Count:

0

#### Sentiment and Key Themes:

##### Overall Tone:

Positive

##### Common Topics:

1. Appreciation for the content and enthusiasm for the series
2. Admiration for individuals featured in the video

##### Feedback and Suggestions:

Viewers seem satisfied with the content and are encouraging the creator to continue producing videos.

## 3. Recommendations for Improvement

### 1. Enhance Likes to Views Ratio:

**Calls to Action:** Use engaging and creative calls to action within your videos to encourage more likes.

**Quality Content:** Continue to produce high-quality content that resonates with viewers, as this naturally leads to more

likes.

Promotion: Increase promotion of the video on social media to drive additional traffic and engagement.

## **2. Boost Viewer Engagement:**

Interactive Content: Create content that invites viewer interaction, such as questions or polls.

Community Engagement: Respond to comments and build a strong community around the video.

## **3. Content Strategy:**

Related Content: Produce follow-up or related content that builds on the success of this video.

Analyze Viewer Preferences: Use YouTube Analytics to refine your content strategy based on viewer behavior and feedback.
